Our HIP system is extremely secure. Rather than just rely on usernames and passwords we also use IP addresses. This means that your account can only be accessed through your internet connection. To look up your IP address go to www.whatismyip.com and it will be displayed in the middle of the screen.

PREFERRED SUPPLIERS

If you have a preferred supplier of HIP components (Home Inspector, Solicitor for legal review etc) please provide us with their details and we will ensure that they are allocated to your account.
